### **THE FIRST LABOR DAY.**

#### **The Knights of Labor Inaugurate a New Holiday in Georgia Tomorrow.**

The Knights of Labor celebrate tomorrow as "Labor Day," the first time the holiday has ever been celebrated in Georgia.

In some of the northern states, so a prominent knight stated yesterday, the day has become a legal holiday. All the knights are given half a day and in every city or town of any size they have a grand celebration.

An interesting programme has been arranged for tomorrow. The Knights of Labor, of whom there are about 2,000 in Atlanta, will go to Ponce de Leon Springs in a body. The public generally are invited. The exercises begin with speaking at 2 o'clock. It is not known yet who the speakers will be. After this the sports begin.

1. Half mile race, Alf Prater against the world.
2. Running long jump.
3. High jump.
4. One hundred yard race.
5. Standing high jump.
6. Standing long jump.
7. Potato race.
8. Putting twenty pounds shot.
9. Sack race.
10. Running hop, step and jump.
11. Three hundred yards race for boys under 12 years of age.
12. Two hundred yards race for K. of L. only.

Refreshments will be served on the grounds, and in the evening there will be dancing.

It is not expected that the knights from any other city will be present, but the members of the organization in Atlanta are expected to come one, come all, and make the holiday a memorable one and a permanent one in Georgia.
