

## INDEX

Volume numbers in this index are indicated in **bold**. An "n" following a page number indicates a subject is mentioned in a note. For example, the entry

Abrahams, Albert, **8**:140-41, 141n

indicates that Albert Abrahams appears in volume 8 on pages 140-41 and in a note on page 141.

Volumes with glossary entries for specific individuals or organizations are designated with an asterisk. For example, the entries **7**\*, **8**\*, **9**\*, **10**\*, and **12**\* under John Alpine indicate that volumes 7, 8, 9, 10, and 12 contain glossary entries for Alpine.

References to substantive annotations in notes are underlined. So, for example, the entry

Abbett, Leon, **2**:137, 138n

indicates there is a substantive annotation of Leon Abbett in volume 2 in a note found on page 138.
